

Chrysler Car Club of S.A.

Procedure to obtain Historic Registration

1. Contact club historic registrar Greg Helbig on (work) 8563 0063 or mob 0411 614 583 for an inspection appointment. Person eligible needs to be a current financial member of the club for a minimum of 3 months.
2. At the inspection bring current registration details (check all information is correct), the vehicle and \$10.00 historic fee to be paid before commencement. If the vehicle is left hand drive the left hand drive dispensation needs to be sighted.
3. Initially 2 inspectors will check details of the vehicle while filling out the inspection/history sheet. Both inspectors plus the owner will need to sign and date this form.
4. The MR334 form can then be completed and a copy given to the registered owner. The copy can then be taken to Registration & Licensing to exchange for your historic registration papers. Remember to ask for the extension.
5. The registration papers can then be posted to the club historic registrar, at PO Box 518, Tanunda, SA, 5352, (check all information is correct, then keep the label, do not send). The registration papers need to be endorsed with the serial number of the log book together with the date of issue, the club stamp and the authorising official's signature.

Registration papers need to be endorsed as soon as practical after receiving the renewal label. Either bring it to the next meeting or post it to the club historic registrar.

6. A log book will be filled out with your vehicle's details inside. The serial number will be recorded for Federation of Historic Motoring Clubs records along with our own club records. The completed log book, along with the endorsed registration papers will be posted to the address on the registration papers unless otherwise notified differently. On receipt of your log book check all details and remember to sign the book and add your telephone number if you wish.
