

LATEST INFO ON THE ODYSSEY

NOVEMBER 2007

There was a fantastic response to the announcement at Burra of the Victor Harbor Odyssey. Within 12 hours, all cabins at both the caravan parks had been booked.

The caravan parks still have powered sites for members. All the sites at the Beachfront Park are powered. The Holiday Park has powered sites and plenty of un-powered sites.

There will be lots and lots of un-powered sites on the Victor Harbor Oval, but the caravan parks will offer a superior standard of showers and toilets.

Comparison of prices (current) are:

Powered sites: Beachfront... \$75 to \$90 for 2 persons for 3 days
Holiday Park... \$78 for 2 persons for 3 days

Unpowered sites:

Holiday Park \$69 for 2 people for 3 days
Victor Harbor Oval \$40 for 2 people for 3 days (available on registration form)

For those of you who like the good life, remember Victor Harbor is a major tourist centre with plenty of holiday homes and units available for hire. Your contact points are:

Fleurieu Peninsula Booking Office 08 8552 3935 fpbo@bigpond.com

Top Choice Travel Booking Centre 08 8552 7000 bookings@topchoicetravel.com.au

Both of these centres are well aware of the Odyssey and will try to book you in near the oval. The Fleurieu Peninsula booking office has prepared a list of available units which can be emailed to you if you sent the co-ordinator, Philip Close, an email at fergiephil@bigpond.com. The Top Choice Agency has an excellent website at www.topchoicetravel.com.au where you can view the accommodation on offer.

Meals

With the enrolment at Burra being 340, we can anticipate that we may get more enrolled than our maximum number of diners (350) allowed in the Recreation Centre on the Saturday night. While there are plenty of eateries in Victor Harbor, it is a long weekend in the middle of school holidays and the latecomers may not get a booking. So that these members are not left out in the cold, we have negotiated a group booking with the Hotel Victor for their excellent carvery (soup, choice of roast meats and sweets—normally \$15.00) for the same cost as the meal at the recreation centre (\$10.00).

The registration form will allow you to pick this option....but if you want to join the main group at the Recreation Centre-book early!
